

STUDIOcc workshop 1 for 2024

MARCH: 16 and 17

Enjoy a TWO-day textile art workshop with
Victoria's Michelle Mischkulnig

Visit Michelle's website to view her extraordinary work

<https://chelletextiles.com.au/>

Michelle has curated exhibitions, displayed her work in galleries across Australia and has commissioned work globally.

This two-day workshop provides STUDIOcc members with an experience in working with hand-dyed silk fabrics and fibres, creating layers to interpret movement and depth. You will develop freehand machine embroidery skills applying Michelle's techniques. We will be making 3D flowers and leaves to bring the artwork to life as well as folding, tearing, colouring and fusing hand dyed fabrics before free motion machine embroidery. The artwork when finished work can be framed.

**Workshop Cost payable to STUDIOcc members is \$220
Non STUDIOcc members pay \$260**

A kit fee between \$60 and \$80 will be payable to Michelle on the day. This kit includes hand dyed fabrics and yarns
